PROJECT DESCRIPTION
Using Presentation Software

This project addresses the use of presentation software—from identifying topics that benefit from the use of technology to effective slide design and presentation.

Purpose: The purpose of this project is to introduce or review basic presentation software strategies for creating and using slides to support or enhance a speech.

Overview: Select a speech topic that lends well to a visual presentation using technology. Use the content of this project and your own research to help you develop your slides. Give a 5- to 7-minute speech using the slides you developed. Your speech can be humorous, demonstrative, or informational, and it may include stories or anecdotes.

This project includes:

- Developing presentation slides
- A 5- to 7-minute speech
